

At National Workforce, the safety of our people is vital.

We are creating an environment where all *our people* believe that it is possible to return home from work injury free – regardless of what site they are working on.

Our Vision

Through strong leadership, safe behaviour and continuous improvement, our vision is '**2B ZerO**'.

Zero Injuries

Zero Non compliance

Zero Excuses

To achieve our vision we will;

- Make safety personal
- Develop strong relationships with *our people* and our customers
- Be responsible for our actions
- Educate our people to work safely
- Encourage active participation, consultation and co-operation
- Set clear targets and objectives for continued improvement
- Comply with all legal and industry standards
- Continuously improve our risk management system

By putting *our people* first we will achieve our vision '**2B ZerO**'.
